

OSBA's Extraordinary Drivers of Ontario

The Ontario School Bus Association (OSBA) is grateful to have so many wonderful school bus drivers across the province. We would like to acknowledge these outstanding individuals at the Annual General Meeting in April, 2010.

You might ask yourself, what makes a school bus driver extraordinary? Is it...

-  The number of years they have been driving?
-  The positive attitude they come to work with every day?
-  The reason they drive a school bus?
-  Another reason the world doesn't know about...yet?
