Update on the Status of DRP Bonus Payments – PLEASE DISTRIBUTE TO DRIVERS!

As you know, the Province of Ontario, through the Ministry of Education, has committed to fund three bonus payments directly to eligible school bus drivers as a reward for continuous employment within each of the three payment periods.

This communication is to inform you that the ***cheques for Payment Period #1 are in the mail.***

If your employer advised you that you are to receive a bonus and you have not received it by November 23, 2018, please contact the DRP Call Centre at schoolbusdriver@deloitte.ca or toll-free at 1-833-346-6177. If you have not been advised by your employer about whether you are to receive a bonus or you have questions about your eligibility, you **must contact your employer directly**, not the DRP Call Centre.

Thank you,
