

PMVI Technician Guidebook for Commercial Vehicles

This new guidebook is an essential tool for ensuring Motor Vehicle Inspection Stations (MVIS) and technicians conduct annual and semi-annual inspections in full compliance with HTA Regulation 611 and the latest National Safety Code Standard 11B, Version 2014. The 184-page book is colour illustrated and provides a comprehensive explanation of the national standard which Ontario has adopted. It provides a detailed description of the components/systems that need to be inspected, the inspection method/procedure, and what constitutes a “pass” or “reject” condition.
