OSBA PRIVACY STATEMENT

5. When and how do we obtain your consent?

We generally obtain your consent prior to collecting, and in any case, prior to using or disclosing your Personal Information for any purpose. You may provide your consent to us either orally, electronically or in writing. The form of consent that we seek, including whether it is express or implied, will largely depend on the sensitivity of the Personal Information and the reasonable expectations you might have in the circumstances.

For the DRP, there is a specific consent form, available on our website and distributed to school bus operator employers, that must be completed and provided by school bus drivers to their school bus operator employer prior to the school bus operator employer sharing such information with OSBA.
